ICHS Limited is a progressive management support organisation specialising in Health, Safety, Environmental and Quality disciplines and this has led to our work coming predominately via referrals and recommendations.

We have expertise in all areas ranging from audits, risk assessments, inspections, accident reporting and analysis of environmental and quality issues.

We have a documented track record of being able to provide high quality bespoke systems for Quality, Environmental and Health and Safety. These have been certified to ISO 9001:2015 , ISO 14001:2015 and OSHA 18001 leading onto ISO 45001.
