Wyboston Lakes Resort is unique. Renowned for great service and flexibility, with a range of business and leisure facilities. Why be anywhere else?" Situated midway between Cambridge and Milton Keynes, at the edge of the historic market town of St. Neots and set in 380 acres of rural countryside (30 acres bigger than Hyde Park), thrives the largest, privately owned business and leisure destination in northern Europe. Conceived in 1983, the founder, Peter Hutchinson created Wyboston Lakes Resort to form part of an already successful portfolio of businesses. Peter's entrepreneurial vision and investment allowed for exponential growth year on year, and more than three decades on, the business continues to flourish and operate with input from three generations of the Hutchinson family. It's the culture developed from these family values that attracts customers from far and wide to the diverse, but complementary range of services.
